*Datele cu caracter personal referitoare la punctele de contact în statele membre și în țările AELS/SEE sunt prelucrate în conformitate cu Regulamentul (CE) nr. 45/2001 al Parlamentului European și al Consiliului din 18 decembrie 2000 privind protecția persoanelor fizice cu privire la prelucrarea datelor cu caracter personal de către instituțiile și organele comunitare și privind libera circulație a acestor date <sup>(1)</sup>.*

---

<sup>(1)</sup> JO L 8, 12.1.2001, p. 1.

### LEGENDĂ

1. Catalogul comun al soiurilor de legume se publică în conformitate cu dispozițiile articolului 17 din Directiva 2002/55/CE a Consiliului din 13 iunie 2002 privind comercializarea semințelor de legume <sup>(1)</sup>.

În conformitate cu intrarea în vigoare a Acordului privind Spațiul Economic European (SEE), catalogul comun include, de asemenea, soiurile din țările AELS care corespund cerințelor acordului <sup>(2)</sup>.

Acest catalog cuprinde toate soiurile ale căror semințe, în conformitate cu articolul 16 din directiva menționată anterior, nu sunt supuse – în țările AELS – vreunor restricții de comercializare în ceea ce privește soiul, cu excepția cazurilor prevăzute la articolul 16 alineatul (2) și articolul 18 din directiva menționată anterior.

De la intrarea în vigoare a Directivei 92/33/CEE a Consiliului din 28 aprilie 1992 privind comercializarea răsadurilor de legume și a materialului săditor de legume altul decât semințele <sup>(3)</sup>, acest catalog cuprinde, de asemenea, soiurile ale căror răsaduri sau material săditor aparțin genurilor sau speciilor reglementate de directiva respectivă.

2. Catalogul comun al soiurilor de legume a fost publicat pentru prima dată la 29 iunie 1972 <sup>(4)</sup>. Această a 30-a ediție completă este o actualizare a celei de-a 29-a ediții complete <sup>(5)</sup>. Actualizarea reflectă situația la 23 august 2011 <sup>(6)</sup>.

Pe măsură ce statele membre oferă informații, se vor pregăti suplimente la acest catalog și se vor publica noi ediții complete în mod regulat.

3. Catalogul este subdivizat în conformitate cu soiurile reglementate de Directivele 92/33/CEE și 2002/55/CE. În cadrul fiecărui soi sau, dacă este cazul, subspecii (la care se menționează denumirea botanică și traducerea în limba engleză), acesta cuprinde soiurile în ordinea alfabetică a denumirilor de soiuri autorizate respective. Acestea sunt:

(a) denumirile sub care un soi este admis în mod oficial în statele membre sau în țările AELS; în conformitate cu articolul 9 alineatul (2) din Directiva 2002/55/CE, pot fi admise noi soiuri într-un stat membru sau într-o țară AELS doar sub o singură denumire. Același soi poate fi admis sub o altă denumire într-un alt stat membru sau altă țară AELS doar dacă există motive întemeiate;

(b) celelalte denumiri sub care semințele din soi sunt încă comercializate (soiuri vechi).

Din motive de simplificare, atunci când semințele dintr-un soi sunt comercializate sub mai multe denumiri, s-a ales o denumire convențională. Ca regulă generală, această denumire este denumirea oficială dată soiului în prima țară de admitere cunoscută. Toate detaliile privind soiul sunt înscrise sub această denumire.

Pentru celelalte denumiri de soiuri, se face trimitere doar la denumirea convențională pertinentă.

4. Catalogul cuprinde patru coloane:

— coloana 1: „Soi”;

— coloana 2: „Țara de admitere UE”;

— coloana 3: „Țara de admitere AELS” (pentru moment, doar Norvegia);

— coloana 4: „Observații”.

<sup>(1)</sup> JO L 193, 20.7.2002, p. 1.

<sup>(2)</sup> Acordul privind Spațiul Economic European, 1992.

<sup>(3)</sup> JO L 157, 10.6.1992, p. 1.

<sup>(4)</sup> JO C 169, 29.6.1972, p. 1.

<sup>(5)</sup> JO C 294 A, 29.10.2010, p. 1.

<sup>(6)</sup> Al cincilea supliment la cea de-a 29-a ediție completă, JO C 244 A, 23.8.2011, p. 1.

Coloana 1 cuprinde toate denumirile varietale în ordine alfabetică.

În ceea ce privește denumirile convenționale, informațiile privind soiurile sunt reunite în patru coloane în conformitate cu explicațiile prevăzute la punctul 5.

În ceea ce privește celelalte denumiri, în coloana 4 se face trimitere la denumirile convenționale, precum ilustrează exemplul următor:

#### ALLIUM CEPA

1	2	3	4
Bianca di Maggio			= La Reine

5. În cazul denumirilor convenționale, cele patru coloane includ următoarele informații în ceea ce privește soiul:

##### 5.1. Coloana 1

Imediat sub denumirea convențională, celelalte denumiri ale soiului sub care acesta a fost admis în mod oficial în statele membre sau într-o țară AELS sunt reluate în ordine alfabetică și precedate de o liniuță, având în vedere faptul că se dă doar câte una pentru fiecare țară de admitere.

În ceea ce privește soiurile la care nu se face referire, a se vedea punctul 5.3.

##### 5.2. Coloanele 2 și 3

— Abrevierile fiecărui stat membru sau țări AELS care a admis în mod oficial un soi sunt precedate de litera „a” sau „b”.

Litera „a” indică faptul că semințele din acel soi pot fi, pe de o parte, certificate ca „semințe de bază” sau „semințe certificate” sau, pe de altă parte, controlate ca „semințe standard” [a se vedea articolul 3 alineatul (2) litera (a) din Directiva 2002/55/CE].

Litera „b” indică faptul că semințele din acel soi pot fi controlate doar ca „semințe standard” [a se vedea articolul 3 alineatul (2) litera (b) din Directiva 2002/55/CE].

- În majoritatea cazurilor, abrevierea este urmată de un număr. Acest număr indică persoana responsabilă de selecția conservativă în țara de admitere. Numele care corespund acestor numere sunt cuprinse în anexa intitulată „Lista cu numele persoanei sau al persoanelor responsabile de selecția conservativă și al autorităților care dispun de lista cu numele persoanelor respective”.
- În cazul în care un „x” apare în locul acestui număr, înseamnă că țara de admitere a desemnat mai multe persoane responsabile de selecția conservativă. Numele acestora pot fi obținute de la autoritatea menționată în lista statului membru sau a țării AELS respective.
- În cazul în care numărul sau „x”-ul este subliniat, înseamnă că persoanele respective sunt, de asemenea, responsabile de selecția conservativă pentru alte țări pentru care apare litera „a” sau „b” fără vreun număr sau „x”.
- Indicațiile menționate anterior se fac pe linia corespunzătoare denumirii sub care soiul a fost admis în mod oficial în statul membru sau în țara AELS respectivă (a se vedea punctul 5.1).

##### 5.3. Coloana 4

Această coloană cuprinde următorul tip de informații:

- soiurile hibride sunt indicate prin litera „H”;
- soiurile reproduse în special cu ajutorul materialului săditor și de reproducere, altul decât semințele, sunt indicate cu litera „V”;

- denumirile la care nu se face referire la punctul 5.1 sunt enumerate în ordine alfabetică, urmate de abrevierea statului membru sau a țării AELS în care se utilizează denumirea;
- o denumire care nu mai este permisă în temeiul punctului 3 sau care a fost rectificată, însă care figura în ediția precedentă a acestui catalog, este indicată doar cu titlu informativ, precedată de abrevierea „ant.”;
- în cazul în care se elimină un soi din catalog și se acordă un termen pentru certificarea, verificarea și comercializarea semințelor în temeiul articolului 15 alineatul (2) din Directiva 2002/55/CE, durata termenului va fi indicată prin data de expirare precedată de litera „P”.

Alte informații sunt cuprinse într-o listă de indicații stabilită ad hoc.
